Some time ago we talked about the attached WTC BID letter requesting an update to the CDO. The BID had worked with Craig Webber and Kevin Keller on this and it turned out that much of what the business community wanted, the professional planners also wanted, but it was all bottled up (for a number of years) in the City Attorney's Office. We asked how we could get this process back on track.

Tricia was going to figure this all out so that we could develop a game plan.

Let me know as we can assist in any way. Thank you.
